

## SEO Packages

### **SEO Writing – Starts at \$400**

I will write one landing page, blog, or product page with SEO optimization in mind, including focused keywords and copywriting best practices.

### **Basic Keyword Research - \$500**

I will discover and provide a list of short-tail keywords your potential customers are currently using and provide keyword volume, competitor insights, and competitive rank score.

Up to 50 keywords

### **Extensive Keyword Research - \$600**

I will discover short-tail and long-tail keywords with everything listed above.

Up to 100 keywords

### **Content Strategy - \$700**

I will create a 3-month strategy that includes all of your content, focused keywords, competitor analysis, and social media campaigns to help increase organic web traffic.

### **Comprehensive SEO Content Audit & Recommendations - Starts at \$1,000\***

I will run your site through an audit to find the errors/ issues on each page, which will help to improve organic traffic and the on-site user experience.

I will also provide a detailed document of my content recommendations.

\*An additional fee will be added to handle all of the changes

All prices are in USD
